

Ifö Spira WC unit 6270, Rimfree®

Ifö Spira 6270 has no flushing rim (Rimfree®) which means that dirt and bacteria have nowhere to hide. This makes the WC easier to clean and more hygienic. Ifö Spira has a one-piece cistern cover and a separate inner water cistern to prevent condensation and produce a quieter refill. Fresh WC is standard, ensuring a fragrant flush that makes cleaning easier. The scented stick fits neatly inside the flush button. Sitting height without seat 42 cm. 4/2 litre flush. Open S-trap.

Ifö Spira is treated with Ifö Clean, our easy-clean glazing, and approved according to Nordic Quality.

Design Knud Holscher.
