

Ifö iCon Rimfree® 3575

Ifö iCon Rimfree® is a smooth-side wall-mounted WC unit without a flush rim, making it very easy to clean. The unique design makes the WC more hygienic - with no flush rim, bacteria and dirt has nowhere to gather. Ifö iCon Rimfree® comes with Ifö Clean, our easy-cleaning glaze, and soft-close seat. For maximum freedom of choice, the flush button is ordered separately.
